

A hand is shown holding a fan of various wood grain color samples, ranging from light tan to dark brown. The background shows another hand holding a piece of wood with a natural grain pattern. A white text box is overlaid on the center of the image.

WOOD GRAIN COLOURS

Life like wood grain colours
that are textured to feel like
real wood.

KNOTWOOD

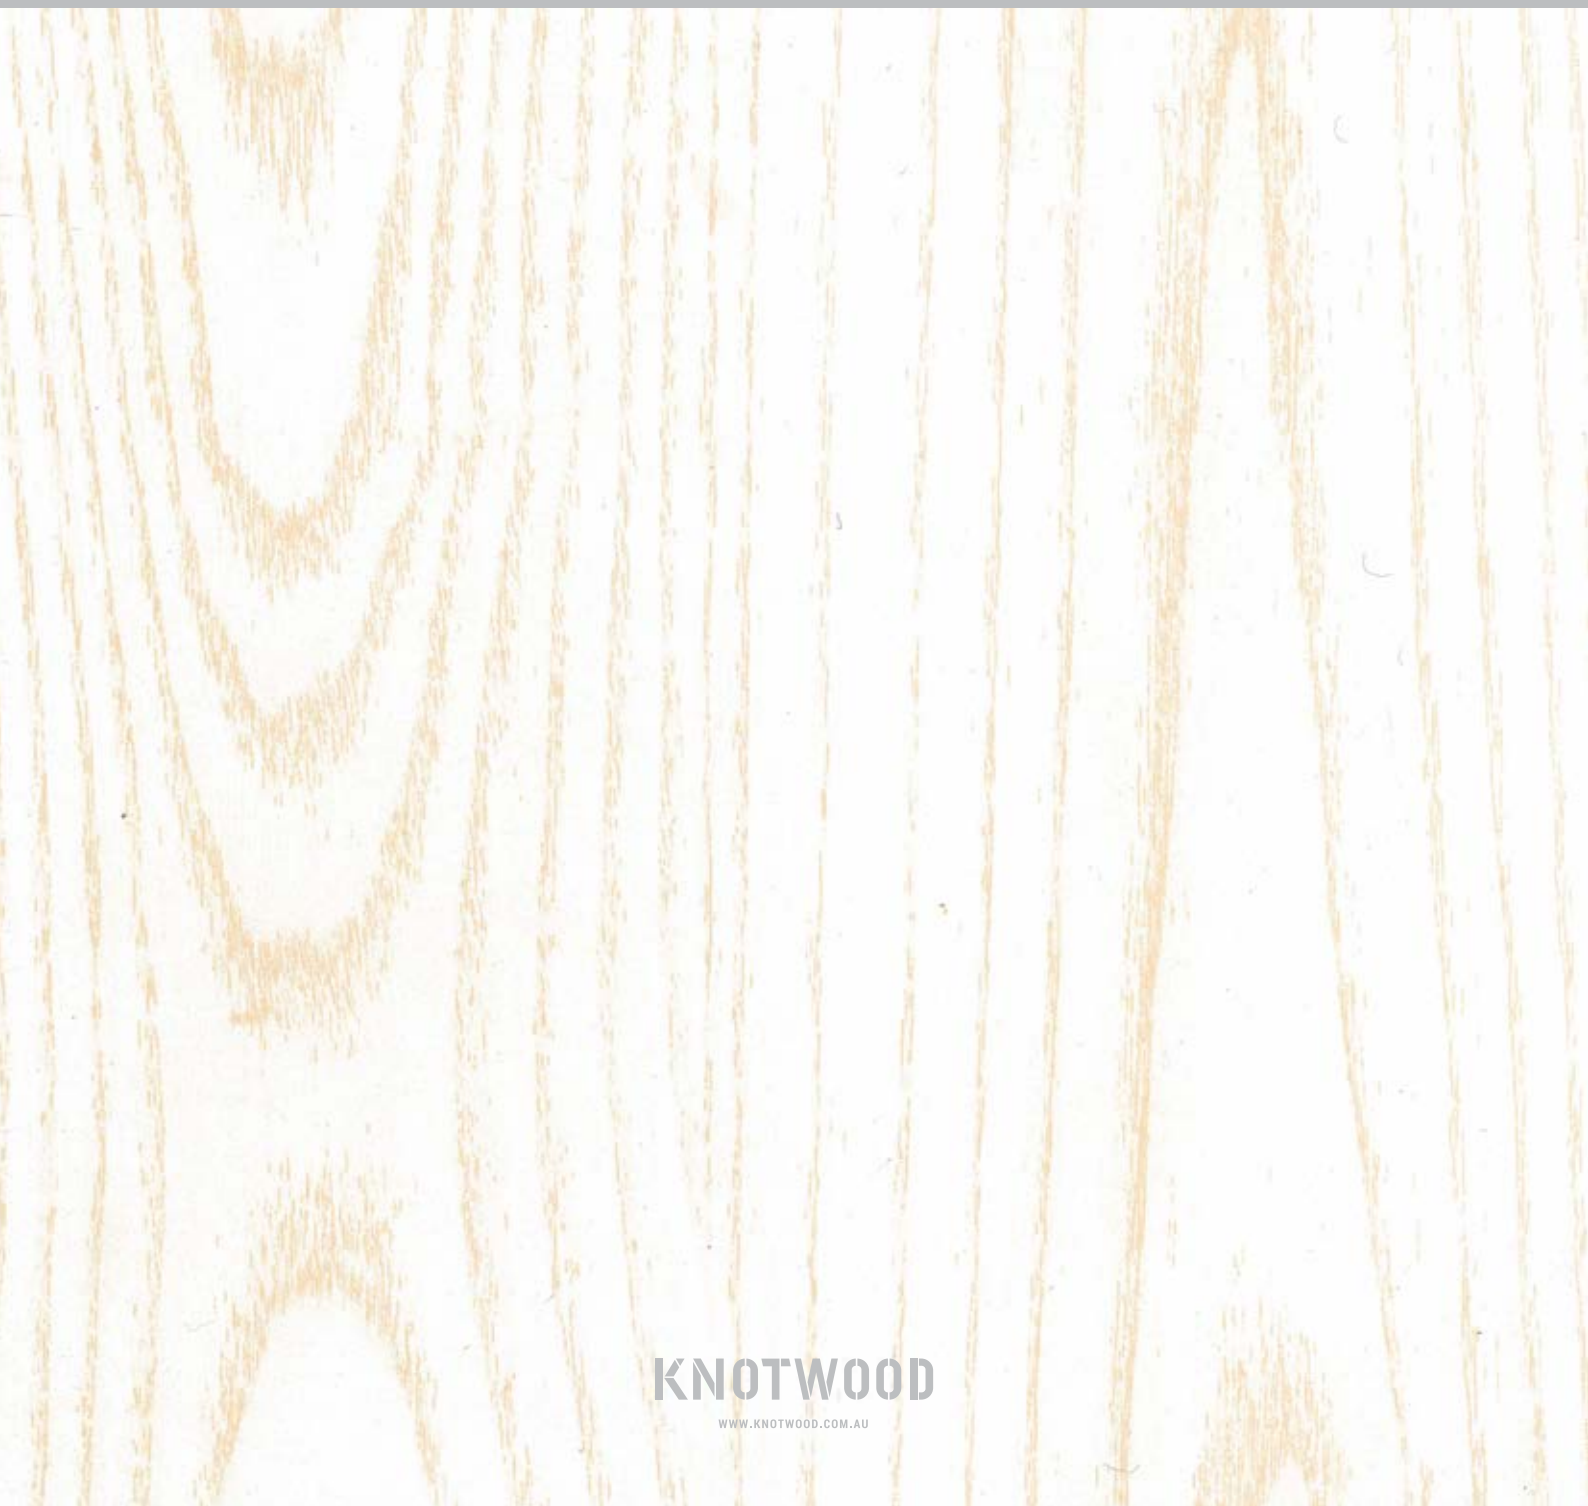

WWW.KNOTWOOD.COM.AU

Knotwood combines the natural beauty and timeless appeal of wood with the capabilities of aluminium. Our specialty powder coating process produces the most life like wood grain colours that are also textured to feel like real wood. All of our aluminium systems and products are offered in our extensive range of wood grains.
